## EDUCATION

SENECA COLLEGE | ADVANCE DIPLOMA COMPUTER PROGRAMMING      Toronto, ON | Jan 2022 - Dec 2024  
GPA: 3.8

## SKILLS

PROGRAMMING LANGUAGE    C/C++, Python, HTML/CSS/JavaScript, SQL

## PROJECT

### SENECA LIBRARY APPLICATION | C/C++

When Books and other publications arrive in the Seneca library, they should be tagged and put on shelves, so they are easily retrievable to be lent out to those who need them. Designed an application that receives the publications and stores them into the system with the information needed for their retrieval. Later, each publication can be lent out to members of the library with a due date for return.

## CAUTION

THIS RESUME IS NOT AUTHENTIC AND ONLY BEING USED FOR MY COLLEGE ASSIGNMENT.
